**Provis Wins Property Management Company of the Year at Innovation in
Construction & FM Awards 2020**

Abu Dhabi, 26 November 2020 – Provis, one of the UAE's leading estate management companies, has been awarded the Property Management Company of the Year accolade during the Innovation in Construction & FM Awards 2020 held recently in Dubai.

The Innovation in Construction & FM Awards 2020 is one of the leading recognition platforms that spotlights achievements of real estate and facilities management companies and individuals for their outstanding work in the region.

This year, more than 50 companies submitted award applications across 18 categories in construction and 11 categories in facilities management and property management.

“It is an honor to be recognized at the Innovation in Construction & FM Awards 2020 for the outstanding work and value we've been bringing our clients across the UAE,” said HP Aengaar, Chief Executive Officer at Provis. “Since our launch in early 2019, we have worked diligently to add value to the services we provide and offer our customers the highest level of service delivery and return on investment. As a specialized estate management company, we are committed to offering high-quality and cost-efficient services and solutions to all our customers in the UAE. Our reputation is driven by our experienced team members and innovative technological solutions that power our customers”.

He added, “This award reaffirms Provis's position as a world-class estate management service provider.”

Ever since the company was launched in early 2019, Provis embarked on a digital transformation journey to elevate the real estate experience by launching a number of customer-centric innovations including the web-based Provis Portal and the mobile powered Provis App that redefined the way property owners and tenants manage their properties. The company also launched Provis Connect, an application designed to optimize service delivery and streamline maintenance management across all Provis-managed communities.

Additionally, Provis played an active role in supporting the UAE community during the past months by leveraging its digital transformation program and launching 360 virtual tours to ease the property sales & leasing process. The company also provided virtual fitness and entertainment classes on its Facebook page to keep the UAE community healthy & engaged while staying at home.

Provis was launched by Aldar Properties to disrupt the estate management sector in the UAE. The company provides property management and owners' association management and consultancy, sales & leasing services as well as clubhouse and lifestyle management solutions. Today, the estate management firm manages over 30,000 units across both property management and owners' association management and has sold and leased thousands of properties across the Emirates.
